

Donation Request

Weld RE5J Early Childhood and Johnstown Milliken Life are planning the annual 2020 Children's Festival. This event is held for families with young children and is an opportunity for them to receive information about health, safety, early childhood development/education and organization/business resources in our community. The environment is meant to be fun, inviting and engaging.

The Children's Festival is seeking donated items for two features of the event. Donating to either or both is beneficial because it provides an opportunity to promote businesses and organizations. Donors are encouraged to include items that directly promote their business such as coupons, a free trial of their service, or a free product. Perhaps consider a small gift basket with a combination of a couple items.

Prize Walk

The "Prize Walk" is played like a cake walk, but the items do not have to be baked goods. This game will be held at regular intervals throughout the day for attendees (*ages 2-12*). The purpose of the *Prize Walk* is to have a fun activity that will attract visitors all day and provide a way for children to win larger prizes.

Items for the *Prize Walk* need to be attractive to young children. These include books, stuffed animals, puppets, games, toys, puzzles, candy, baked goods (\$5-20 value)

Silent Auction Items

Weld RE5J Early Childhood is holding a silent auction at the Children's Festival with all proceeds going toward the preschool. Items that appeal to adults for the silent auction are greatly appreciated (\$20 & up in value).

Thank you!!
